LIMITATIONS & CONCERNS:

What to watch out for

ACCURACY ISSUES

AI can give wrong facts or invent things (Hallucinations)

BIAS & FAIRNESS

Might reflect societal prejudices from data.

PLAGIARISM & OWNERSHIP

Passing off AI work as your own, copyright questions.

DEPENDENCY

Relying too much, losing your own critical thinking.

ETHICAL CONSIDERATIONS & RESPONSIBLE USE

DISCLOSURE

Be honest when you use AI.
"AI assisted in brainstorming."

THINKING CRITICALLY

Verify facts. Ask "Is this source reliable?"

ACADEMIC INTEGRITY

Learn the skills, don't take shortcuts.
Original work matters.

USE WITH PURPOSE

Like a calculator or spelling check, not a thinker.
